FREQUENTLY ASKED QUESTIONS - Fees and Missed Classes

Q: My child turns 12, but is still in Children's Class, do they now pay the student rate?

A: "NO, A CHILD 12 YEARS OLD IN CHILDREN'S CLASS STAYS ON CHILD FEES. WHEN THEY TURN 13 YEARS OLD, THEN IT'S THE TEENAGER/ADULT FEE EVEN IF STILL IN CHILDREN'S CLASS."

Q: My child is 11, training in Teenager/Adult classes, do they now pay the student rate?

YES AT 11, 12, 13 OR 14 YEARS ETC, TRAINING IN TEENAGER/ADULTS CLASSES CHANGE FROM CHILDREN'S FEE TO TEENAGER/ADULT FEE."

Q: Can I make up missed classes?

A: "YES, YOU CAN MAKE UP MISSED CLASSES AT OTHER CLASS TIMES, EVEN IN ADVANCE BEFORE YOU ARE AWAY."

CHILDREN:

HOW TO MAKE UP A MISSED CLASS:

- 1) DO BOTH (4-7 years & 8-12 years) BEGINNER/INTERMEDIATE CLASSES ON ONE VISIT *
(for White and Yellow Belts)
- 2) DO A BEGINNER/INTERMEDIATE CLASS AND THE ADVANCED CLASS ON ONE VISIT *
(for Yellow, Orange and Purple Belts)
- 3) DO A BEGINNER/INTERMEDIATE TEENAGER/ADULT CLASS *
(for any belt 11 years and above)
- 4) ATTEND AT A DIFFERENT TIME *

NOTE:

A) consider doing a 'make up' class in advance of any pending absence. Get one or two 'in the bank / up your sleeve' in case you are ever away, even if you are on a Holiday in 6 months time, then do 1, 2, 3, etc extra classes now, in advance.

B) missed classes/make up classes do not carry over into the following year.

TEENAGER / ADULTS:

HOW TO MAKE UP A MISSED CLASS:

- 1) DO A BEGINNER/INTERMEDIATE CLASS AND THE ADVANCED CLASS ON ONE VISIT *
(for all Belts)
- 2) ATTEND A CHILDREN'S CLASS *
I'm **absolutely serious**, I've attended several thousand children's classes and I always learn something new or I improve what I know, and I always walk out happier knowing I've helped another person.
- 3) ATTEND AT A DIFFERENT TIME *
- 4) DURING SCHOOL HOLIDAYS CLASSES CONTINUE FOR TEENAGER & ADULTS SO YOU NEVER REALLY MISS A CLASS

NOTE:

A) consider doing a 'make up' class in advance of any pending absence. Get one or two 'in the bank / up your sleeve' in case you are ever away, even if you are on a Holiday in 6 months time, then do 1, 2, 3, etc extra classes now, in advance.

B) missed classes/make up classes do not carry over into the following year.

Q: My internet banking transfer keeps bouncing back.

A: "SEVERAL PEOPLE HAVE HAD THE SAME PROBLEM. I HAVE SPOKEN WITH BANK STAFF, THE CORRECT ACCOUNT DETAIL SHOULD BE ACADEMY OF SELF DEFENCE AND MARTIAL ARTS. THIS SHOULD SOLVE THE BOUNCE BACK. DO NOT USE 'KARATE JITSU', USE ONLY 'ACADEMY OF SELF DEFENCE AND MARTIAL ARTS' BSB 065 146 Acct: 1024 9442 Fit as much of the wording in as you can eg "Academy of self defe"

Q: The 10% Family Discount applies to both my children and myself is that correct?

A: "YES, EACH OF YOU RECEIVE 10% FAMILY DISCOUNT ON EACH TERM OR YEARLY FEE. FOR FEES ONLY, NOT FOR GRADINGS OR FOR EQUIPMENT."

FREQUENTLY ASKED QUESTIONS - Gradings

Q: What if I can't make the grading?

A: If for some reason you can not make grade day, it's a Birthday, a family event, you're away, you're sick etc, NO PROBLEM, give us 100 push ups and all is forgotten, LOL.

But seriously, it's all ok - you can be graded from your class assessment and you can receive your belt or stripe in class. This is ok for your occasional Grading here and there but try to make Grade days as they are a SPECIAL occasion, deserved of your effort and reward.

Q: Is the Grading charge for a Stripe and a Belt at the same time?

A: No, your grading payment is for just the Belt Grading only or just for the Black Stripe Grading only.

There is NO cost for a White belt receiving a Yellow STRIPE, this is complimentary on your journey.

There IS a cost for the White belt receiving a Yellow BELT.

There IS a cost for Black Stripes on the Yellow, Orange, Purple and Brown Belts

Grade costs are on page 3, see [Gradings for Belts / Gradings for Black Stripes](#).

Q: When do I make payment for grading?

A: Prior to your grading event. Either ...

- a) in person on Grading Day, 15 minutes prior to your grading, or
- b) bank transfer, see [How to Pay for Gradings on Page 3](#)

Q: What happens to my Grade fee if I don't pass?

A: Great question. You only make one payment for any particular grade, whether you re-sit or pass, NO second fee is required. We will hold on to that grade fee and it is now paid for when you do pass.

Q: My child is a 'XYZ' belt with you at Karate Jitsu, when is their grading?

A: "Each term we rotate our subjects/themes at Karate Jitsu. It's like Cricket in summer and AFL in winter, of course you can still kick or hit a ball in any season, but just can't grade until it's the right season. What this means is you can grade ahead of your schedule if you are really dedicated to progress.

Term 1 & Term 3 Gradings:

WHITE TO YELLOW BELTS and all

'STRIPE TWO' (Self Defence, Weapons, Kata and Bunkai).

Term 2 & Term 4 Gradings:

WHITE TO YELLOW BELTS and all

'STRIPE ONE' (sparring skills), and all

STRIPE THREE (grappling skills) and

BELT GRADINGS. (Orange, Purple, Brown and Black)

Q: Sensei, can I grade this term?

A: If you are ready we will grade you.

Q: Am I ready?

A: Let's look at your Grade Review score sheet, are any 'D's in there?

Q: There are some 'D' scores, what does that mean?

A: It shows you are not ready, keep practising on those 'D' score areas. Then show us your skills in next class or post a video of your skills in the Facebook [KJ Members – Private Group](#) (click the link). If there's enough improvement to change the 'D' scores yes you can grade, otherwise just wait to the next round of those gradings.

Q: Do I have to wait that long?

A: Yes you will wait. (occasionally special circumstances can speed things up)

Q: What should I do meantime, while waiting.

A: Practice and keep showing Instructor's your skills, and remember all skills Graded and scored are recorded for your following Grading which keep you moving forward.

Q: Kyoshi, I'm confused what is the order of the Belts and Stripes.

A: Great Question, here it is ... (next page)
